

We can offer job shadowing in the field of Hospitality & Tourism (hospitality management & services)

Staff can undertake professional development opportunities in the form of the job shadowing/ observation period abroad in an enterprise or other VET organisation.

The program includes:

- Full board accommodation;
- Introduction seminar;
- Work orientation sessions;*
- Cultural activities;*
- Tutoring and mentoring;
- Monitoring and evaluation;
- Europass Mobility.

Work orientation sessions* – they are usually carried out during morning hours. The exact amount of hours per day will be decided in collaboration with the sending institution and the accompanying staff

Cultural activities* – there will be two cultural trips during a two week period mobility for VET staff.
